Why Become a Member

Membership is Ownership

Members *are* United Senior Action. Every year, at our convention, members decide the direction of USA by voting on our priorities and electing officers.

A Legacy of Progress

Our members have made, and continue to make, a lasting impact on their community. We have seen success on a number of issues:

- Winning various legislation: requiring smoke detectors and fire sprinklers in all Indiana nursing homes, prohibiting nursing homes from hiring convicted felons, increasing the Personal Needs Allowance by the largest amount ever
- Helping Hoosiers afford their medicines by leading efforts to create the Hoosier Rx program, organizing bus trips to Canada and establishing a safe importation program
- Ensuring nursing homes are a last resort by establishing the CHOICE Home Care Program and demanding that Indiana's long-term care system be consumer driven and tax-payer accountable

The Advocate

As a member, you will receive the *United Senior Advocate*. This award-winning publication not only keeps you informed about the senior issues you care about but, most importantly, gives you ideas on how to take action. Check out previous issues at www.usaindiana.org.
